Dear Neil

Thank you for your letter of 10 November 2020.

I had been made aware previously of the outrageous redundancy proposals and the outsourcing plans at BT. I have written to the Chief Executive calling for the jobs massacre to be halted and for the scandalous outsourcing of services to end.

In addition, I participated in a Westminster Hall debate raising the issue of the detrimental impact of outsourcing on jobs. Rest assured I will continue to press on these issues and if there is anything I can do to help the CWU campaign just let me know.

Yours Sincerely,

Mick Whitley,
Member of Parliament for Birkenhead
