

REASONS TO JOIN THE CWU

15

By joining the CWU you join forces with hundreds of thousands of other workers and speak with a stronger voice for a better working life

1

Unionised workplaces have higher pay – TUC figures show this can be by around 17%

2

Health & Safety is better – there are 50% less accidents in union workplaces

3

Redundancies happen less in unionised workplaces; Compensation is negotiated and usually higher than where there is no union

4

CWU members can be accompanied to disciplinary and grievance meetings by their union representative

5

The CWU has thousands of trained reps who ensure that employers keep to the law at work and stick to agreements made with the company

6

CWU members have access to union training and a variety of courses at Union learning centres (from computer courses to languages and vocational training)

7

The CWU legal team win millions of pounds a year in compensation for members

8

CWU members have access to legal advice and support on work and non-work related issues

9

CWU members are covered by free 24-hour personal accident insurance

10

CWU members are covered by our free legal protection scheme for motor traffic accidents

11

The CWU offers a free Will making service for members and partners, and member's next of kin receive funeral benefit should the worst happen

12

All CWU members have a voice in our democratic union and all can get involved in their branch and stand for union elections

13

The CWU campaigns nationally amongst employers, politicians and industry groups to improve working rights and legislation

14

The CWU fights for the rights of all workers and is opposed to all forms of discrimination in and out of work including against part-time and agency workers
